Citation to each CPSC Product Safety Regulation to which this product is being certified:

- (i) 16 CFR part 1610 Standard for the Flammability of Clothing Textiles
- (ii) 15 U.S.C 1278a Total lead content requirements

Date and place where this product was tested for compliance with the regulation(s) cited above:

No testing is required for:

(i) Flammability requirements 16 CFR part 1610: Exemption 16 CFR 1610.1(d)(1) socks made of plain surface fabric, weighing 2.6 ounces per square yard or more, regardless of fiber content; and exemption 16 CFR 1610.34 only uncovered or exposed parts of wearing apparel shall be tested under the standard.

Note: Cushioned socks are not intended to be worn inside out. The raised surface is not intended to be exposed.

(ii) Total lead content requirements 15 U.S.C 1278a: Exemption 16 CFR 1500.91 dyed and undyed textiles that are not treated or adulterated, which means such materials do not need to be tested for total lead content.

The CPSC-accepted third party where this product was tested by an accredited laboratory for compliance with the regulation(s) cited above:
